Call for Participation

We invite you to join us in 7th International Conference on Software Engineering (SOENG 2021)

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Software Engineering and Applications. The goal of this conference is to bring together researchers and practitioners from academia and industry to focus on understanding Modern software engineering concepts and establishing new collaborations in these areas. Authors are solicited to contribute to the conference by submitting articles that illustrate research results, projects, surveying works and industrial experiences that describe significant advances in the following areas, but are not limited to.

Highlights of SOENG 2021 include:

- 7th International Conference on Image Processing and Pattern Recognition (IPPR 2021)
- 8th International Conference on Data Mining (DaMi 2021)
- 8th International Conference on Computer Science and Information Technology (CSIT 2021)
- 9th International Conference of Security, Privacy and Trust Management (SPTM 2021)
- 10th International conference on Parallel, Distributed Computing and Applications (IPDCA 2021)
- 7th International Conference on Artificial Intelligence and Soft Computing (AIS 2021)
- 2nd International Conference on Advanced Machine Learning (AMLA 2021)
- 2nd International Conference on Big Data and Applications (BDAP 2021)
- 2nd International Conference on Natural Language Processing & Applications (NLPA 2021)
